

EDMONTON A.F.M.S.A. 25 YEARS

As a result of a visionary idea of John Terretta, October 25,1979 a group of eight men from some of the major companies got together and the only topic on the agenda was "Discussion & Planning the Inception of a Transportation Superintendents Association of Alberta. December 19,1979 the A.F.M.S.A. Constitution was written, membership criteria & fees documented and the fleet logo depicting engine connecting rods designed and the executive positions assigned.

Founding members: John Terretta, Larry Bosiak, George Andrews, Bob Wheele, Alex Lee Bill Boyd, Russ Sokil, Ron Prior.

Bob Chisholm – Past away December 28, 1994
Owen Day – Past away February 15, 2004
Scott MacDonald
Bob Blinch

We apologize if we have omitted any one who has served on the Executive.

Since that first meeting on March 25, 1980, the Alberta Fleet Maintenance Supervisor's association has grown to nearly 500 members in two chapters. Due to the support of all respected associate goods and service companies in the industry, the Edmonton Chapter has been able to continue as a non-profit association. We now sponsor financial award programs for apprentices, have award recognition, hold an annual golf tournament, and arrange for tours of facilities of interest to our members. Our conferences attract presenters and speakers from all over North America and our business ethics are amongst the highest of any association. We continue to grow and adapt to emerging trends and the needs of our membership. It has been an exciting and educational twenty-five years, we look forward to many more wonderful experiences.
