Membership

Two types of memberships are available:

- Direct Service Personnel
- Support Service Personnel

“Direct Service Personnel” – any Service Superintendent, Supervisor, Foreman, or Service Manager engaged in the operation of Bus and Truck Fleet Maintenance, or any person in charge of Commercial Fleet Vehicles, maintenance repairs or service shops connected with commercial transport is eligible for this type of membership.

“Support Service Personnel” membership is available to those who represent companies or organizations providing support services to the Motor Transport Industry. Support services include all those industries supplying equipment, tools, parts or service to fleets.

A.F.M.S.A. currently has chapters in Edmonton and Calgary.

All members receive a copy of *The Steering Column* once a month.

Alberta Fleet Maintenance Supervisor's Association

Be a part of it.

Edmonton Chapter

Alberta Fleet Maintenance Supervisor's Association

The Alberta Fleet Maintenance Supervisor's Association is a non-profit organization formed on March 25, 1980 by a group of fleet maintenance supervisors who felt that access to current and timely information on matters relating to fleet maintenance management is a matter of importance to people working in the field.

Objectives

- To encourage the study of mechanical transport and the maintenance thereof
- To seek improved methods in the operation of transport garages
- To study and encourage safety devices and practices in the maintenance and operation of motor transport vehicles
- To uphold ethical practices in the Transport industry
- To promote sound development and reform mechanical transport and its maintenance
- To foster a spirit of camaraderie among its members

Needs

Now, more than ever before, due to tremendous advancements and technological changes in the motor transport industry, the need exists to provide training, knowledge, and information to individuals who have the responsibility for the maintenance and repair of fleet motor vehicles.

People in every fleet maintenance position recognize the urgent need to keep well informed in the increasingly complex transport industry and knowledgeable about changes in the emerging global market.

The exchange of new ideas, ongoing communication and the conveyance of specialized knowledge are all integral to the continuing education that is necessary for all professional maintenance personnel.

The Alberta Fleet Maintenance Supervisor's Association fulfills these needs.

Meetings

Meetings are held the third Thursday of every month (excluding July and August) where a notable speaker will give a presentation on either a product, equipment or service related to fleet maintenance.

Presentation topics also include: aspects of planning, life skills, government regulations, or any topic of concern to the membership.

Meetings follow the following format:

- Cocktails at 5:00 P.M.
- Refreshments with a smorgasbord style dinner at 6:00pm
- Meeting and presentation at 7:00 pm
- Meeting closes around 8:30 pm

Membership Application Form

Alberta Fleet Maintenance Supervisor's Association

44 Alcott Crescent
St. Albert, Alberta
